Liven up any interior with the warmth of wood

Whether you choose to accent with Newel Posts, Mantles, Appliqués or individual pieces, our designs deliver a coherent motif throughout your space. What's more, our collections offer something for everyone's tastes with exquisite carvings in Oak, Maple, Cherry, Alder and more.

Beautify any space, enhance any object.

With Flourish, adding artistic accents to your home couldn't be simpler. Use Newel Posts to add a stunning flourish to staircases or appliqués to adorn anything from bookshelves to cabinets. Embellish offices, kitchens and bathrooms with Corbels or living rooms with stunning custom mantles.

Why choose Flourish?

Our tailored approach.

At Flourish, we understand your design challenges and tailor solutions to exceed them. In addition to unparalleled craftsmanship and stylishly sophisticated products, we pride ourselves on our attention to detail and exceptional customer service. Like homes themselves, the needs of each client are unique and require a comprehensive custom approach that can come only from our years of insight and experience.

Signature Series

Show off your creative side! Our Signature Series showcases designs created by clients like you with a flair for the extraordinary. You design it—we'll share it. All designs have a form for client recognition to let the world know you've got the designer's touch.

Or, feeling creative but would prefer to keep your designs to yourself? Let us know and we'll help create a design tailored to your unique style that can be archived for privacy (Your design will never be duplicated without your consent.)

For more information on our Signature Series, or Custom Program, please visit us at www.flourishde.com
